

Sending out event Invites? **DON'T!** ...until you read this...

Are you wasting precious time calling invitees to confirm attendance and their details?

Are you tired of chasing invitees to remind them of the event?

Do you need an electronic invite that can be branded to match your company, client or event?

INVYTE.NET is a revolutionary new invite program that allows you to email and SMS professional branded RSVP invites that include customisable questions relevant only to the particular invitee.

INVYTE.NET allows you to export data or simply manage the event from within the online management system.

And... **INVYTE.NET** will send email and SMS reminders as often as you like. No more chasing up your invitees!

Ideal for

- Event organisers
- PR companies
- Company event organisers
- Branded surveys
- Associations
- Clubs
- Councils

Our clients have used **INVYTE.NET** for:

- Lion Nathan
- Holden
- ANZ
- Volvo
- GE Money
- Exxon Mobil
- Cadbury Schweppes
- Bank of Melbourne

You will love...

- The quality branding it gives your invitations
- Customisable questions and question logic
- The time and stress saved in chasing up invitees and sending reminders
- Custom help on Invyte by its creators

Features of **INVYTE.NET**

- Manage invitations on any browser – Windows or Mac.
- View invitations via any Internet device – desktop, tablet or mobile.
- Beautiful and elegant invitations plus generic options.
- Unlimited hierarchical questions in the RSVP.
- Powerful reporting.
- Email and SMS invitations and reminders.
- Can cover multi-day events.
- We setup the question fields for you.
- Very simple and easy to use.
